## SUPPLEMENTARY INFORMATION:

Title: Regulation V, Subpart N (12 C.F.R. 1022.130 - 1022.138).

OMB Control Number: 3084-0128.

Type of Review: Extension of a currently approved collection.

Annual Burden: After halving the updated estimates to split the PRA burden with the CFPB regarding the Rule, the FTC's burden totals are 192,722 hours, \$4,072,801 in associated labor costs, and \$6,227,100 in non-labor/capital costs.

Abstract: The FTC shares enforcement authority with the CFPB for subpart N of Regulation V. Subpart N requires nationwide consumer reporting agencies and nationwide consumer specialty reporting agencies to provide to consumers, upon request, one free file disclosure within any 12-month period. Generally, it requires the nationwide consumer reporting agencies, as defined in Section 603(p) of the Fair Credit Reporting Act (FCRA), 15 U.S.C. 1681a(p), to create and operate a centralized source that provides consumers with the ability to request their free annual file disclosures from each of the nationwide consumer reporting agencies through a centralized internet website, toll-free telephone number, and postal address. Subpart N also requires the nationwide consumer reporting agencies to establish a standardized form for internet and mail requests for annual file disclosures, and provides a model standardized form that may be used to comply with that requirement. It additionally requires nationwide specialty consumer reporting agencies, as defined in Section 603(w) of the FCRA, 15 U.S.C. 1681a(w), to establish a streamlined process for consumers to request annual file disclosures. This streamlined process must include a toll-free telephone number for consumers to make such requests.

On November 16, 2021, the FTC sought public comment on the information collection requirements associated with the Rule. 86 FR 63387. The Commission received no germane comments. Pursuant to the OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 *et seq.*, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for

the Rules.
